Good Morning,

The case#'s [REDACTED] evidence # [REDACTED]

We are in a new world now with the requirements that the Supreme Court has handed down.

If you could email me a copy of your curriculum vita in order to work through my questions.....do you have any standard predicate (setting up qualifications) questions that you prefer to be asked?. Any tips for me? You should bring with the original certified paperwork. I am not certain how we will handle the actual drugs -- most likely Stoughton Police will pick up.

What is a "discovery package"?
